

MIXED CROPPING & FINISHING UNIT **343 REID HILL ROAD, WAIKOIKOI, EASTERN SOUTHLAND** **SOLD**

This 80 hectare unit is a versatile farm under its present regime with the mixed cereal cropping finishing policy. The farm has a nice feel to it, the easy rolling contour coupled with its warm northerly aspect make the farm appealing. The strong reliable soils ensure consistent grass and crop growth throughout the seasons. A superb finishing block or a cropping addition this property warrants your
